Ed Litton

Monday, July 24

Guest speaker: Ed Litton, Senior Pastor

Redemption Church, Mobile

Ed serves the Lord as lead pastor of Redemption Church in Mobile, Alabama. Ed began ministry as a church planter in Arizona and came to First Baptist North Mobile in 1994. Ed and his wife, Tammy, planted the Mountain View Baptist Church in 1987 and saw God bless the birth and establishment of an effective evangelistic church.

He came to a great church with a great vision in Alabama. Since his coming, North Mobile continued to grow and expand its work in missions around the world. In 2007 Ed, his family, and the entire church family suffered a devastating loss when his wife, Tammy, was suddenly killed in an automobile accident.

God began to direct North Mobile to see disciple making as the real imperative of The Great Commission. This and other changes have led to a rebirth of God's vision. North Mobile has embraced a vision of reaching more and making disciples through church planting and the expansion of multiple locations. In September of 2015, the church relaunched as a new congregation called Redemption Church. A fresh wind of God's Spirit is blowing and working, as people are growing in grace and making disciples who make disciples. Today Redemption Church has two locations in North and West Mobile and is planting churches in New York City, Cleveland, Ohio, Denver and Las Vegas.

Ed's new chapter continues as he married Kathy Ferguson, a pastor's wife who suffered a similar loss and now leads a ministry to pastors' wives through the North American Mission Board called Flourish.

It's easy to forget First Fairhope is still busy ministering during the Summer days when many of us are taking much needed vacation getaways. This is the busiest and most expensive time of the year for our church with VBS, Student and Children's Camps and trips in addition to the normal activities. So, don't forget to send in your tithes and offerings while you enjoy time away this summer so we may enter the Fall on a firm financial footing.

Give electronically while you're away - it's easy!
